

HM-BINO HARNESS-H

Binocular Harness

HIKMICRO binocular harness provides optimum protection for your binoculars and is exceptionally comfortable. With three fixed points, whether you are stalking, crawling, or squatting, the harness holds the binoculars firmly to your chest and minimizes neck pressure simultaneously. You can grab your binoculars whenever you need them.

Key Feature

- 3 fixed points ensure a steady position of the harness
- Soft quiet fabric for the flap cover and lining
- MOLLE system for easy adaptability
- Rain cover in the back of the harness
